

Casita® Air 10ft Canopy Tent Stock Top w/Valance

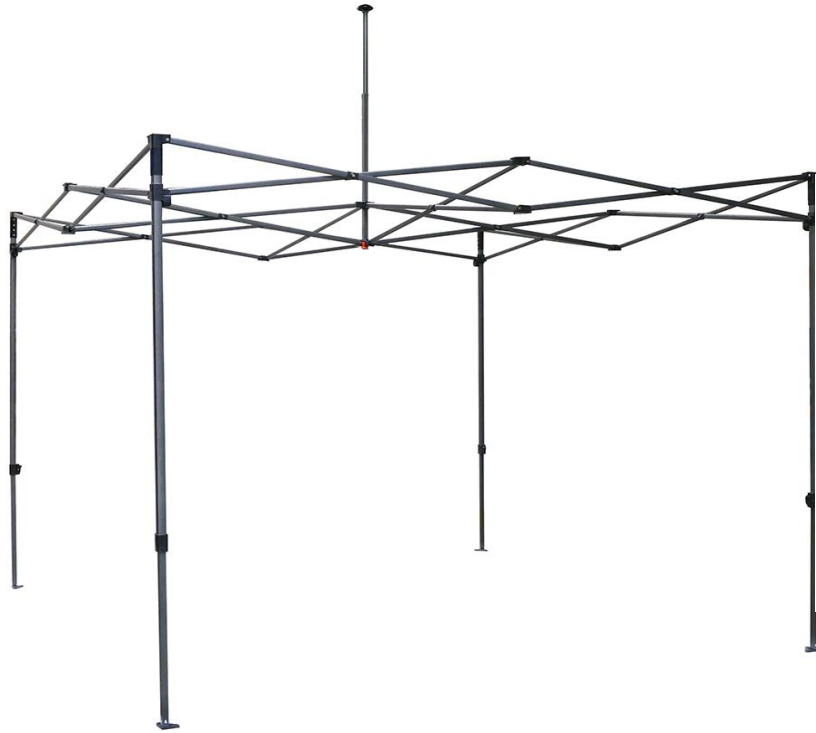

Our Casita Canopy Tents™ are an excellent way to provide shade during outdoor and indoor events. These canopies are standard 10' x 10' size and are available in custom dye-sub print which has a high quality finish with vivid color. Set up is quick, easy and user friendly. Telescopic legs snap into place offering a range of heights. This kit includes a convenient travel bag with wheels to store your tent frame and graphic in between events. The Valance Only option features dye sub printed valance graphics with blank white canopy top peaks. You have the option of custom prints on all 4 valances or 2 valances on opposite sides. Like all other Casita Canopies you have the option of white or black seam trim to better match your graphics.
